

MEHAR HASSAN

Full Stack Creative Designer | Editor | Wordpress Expert

PROFILE

Step into a world of captivating design expertise curated by a seasoned multitasker. With mastery in UI/UX through Adobe XD and Figma, graphic design via Photoshop and Illustrator, and polished motion graphics in After Effects and Premiere Pro, I bring modern aesthetics to life. From pixel-perfect UIs to mesmerizing animations, each project is a chance to turn ideas into striking realities. With WordPress as my canvas, I blend beauty and functionality seamlessly
